

PACKING LIST - 2 OR MORE WEEKS

C.I.T.

Clearly label your child's belongings - first and last name!

The following is suggested for a two-week period*. These are guidelines for your convenience-adjust to your needs. It is a good idea to send mostly older items since outdoor fun can be hard on clothes.

Please assist your camper with packing to help eliminate items arriving at camp that do not belong (video games, expensive audio equipment, trendy clothing or expensive jewelry) and items that are prohibited (weapons, tobacco, drugs, alcohol and any other substances that can be used in an illegal manner).
