

LAKE IN THE WOODS YMCA CAMPS

Packing List

These are guidelines for your convenience—adjust to your needs. It is a good idea to send mostly older items since outdoor fun can be hard on clothes. Please assist your child with packing. We ask that campers pack for the full 2-week session, that way they don't have to bring clothing to and from their home on the weekend.

Please include a laundry bag labeled with your camper's name, and remember to label ALL of their belongings! All campers should bring a small bag to use on the weekend.

Families should check out the Theme Day Calendar while packing!

Items for HOLDOVER CAMPERS

If your child is registered for a hold over between camp weeks or between camp sessions, they will spend the weekend at our sister camp, Fairview Lake YMCA Camps. They will be staying in small cabins with bunk beds. Campers should have a small weekend bag that they can bring with them from Lake in the Woods to Fairview Lake. Staff will help them pack the required items for their adventure!
